## BIG BERTY Pumps

## Aussie Hose Reels

### AUSSIE VIPER MINI REEL - Light Weight

Unique portable high pressure hose reel extends hose length by 60 metres. Provides great flexibility for difficult access water blasting or drain cleaning.

- Stainless steel stand/handle/integrated on/off valve, high pressure gauge, takes up to 60 metres of 1/4" R8 sewer hose
- Comes with female couplers for nozzle storage.
- OH&S friendly

It provides real flexibility for remote or difficult access jobs. Doubles your hose length with minimum pressure drop.

NEW

### AUSSIE HOSE REEL - High or Low Pressure

- 2 year no leak warranty on Aussie Reel Quick Reels
- Up to 5000 psi pressure rating
- Heavy duty powder coated steel construction
- Auto tension arm prevents free spooling
- Hose guide on most models, saves tangled hose
- Universal base mount
- Extends hose life
- Reduces abrasion
- OH&S benefits, make your work place a safe place
- Long length quality hose to 100 metres also available
