SEWER MAINTENANCE PRODUCTS

Model shown:  
King Cobra

### Product Description:

Aussie high pressure drain cleaning machines have revolutionised the way that blocked drains are cleared.

The Cobra range makes short work of drains blocked by tree roots with a unique drain cleaning head called the Turbo Root Mulcher. It vibrates and rotates, clearing roots with a super high powered spinning water jet.

Supplied with a full range of nozzles these machines make drain cleaning quick, safe and easy.

### Applications:

Drain cleaning applications including;

- High pressure clearing of tree roots from drains
- Removing grease and fat
- Sand and silt removal

High pressure cleaning of hard surfaces including;

- Graffiti removal
- Brick cleaning
- Roof restoration
- Driveway cleaning
- Car park clean up
- Paint preparation
